Womens Wealth Insititute
help my business?**

2026

Become a WWI Instructor

Women's Wealth Institute is building a network of instructors, subject matter experts, and industry professionals who are passionate about educating entrepreneurs and helping business owners succeed.

If you have knowledge, experience, or specialized expertise that can help entrepreneurs build stronger businesses, we invite you to explore opportunities to teach within the WWI ecosystem.

Who We Work With

We welcome inquiries from:

- Accounting or bookkeeping
- Financial analysis or strategy
- CFO or fractional CFO work
- Business financial operations
- Applied financial education

Why Partner With WWI?

Why Teach With WWI?

Expand Your Professional Brand

Position yourself as a trusted educator and thought leader within a growing entrepreneurial community.

Increase Your Visibility

Reach entrepreneurs, business owners, and professionals through WWI's educational programs and events.

Share Your Expertise

Create meaningful learning experiences that help business owners make informed decisions and achieve their goals.

Grow Your Business

Teaching can introduce new audiences to your products, services, coaching, consulting, or professional expertise.

Flexible Teaching Opportunities

Participate through live workshops, webinars, virtual classes, recorded courses, special events, or educational series.

Collaborative Revenue Opportunities

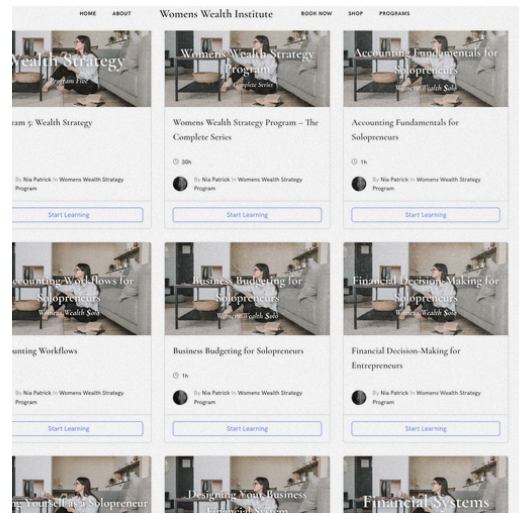

Instructors are offered opportunities to participate in our revenue-sharing arrangements.

Instructor Opportunities May Include:

- Online Courses
- Live Workshops
- Guest Speaking
- Webinar Presentations
- Panel Discussions
- Community Events
- Special Educational Programs
- Business Bootcamps

About Women's Wealth Institute

Women's Wealth Institute (WWI) is a financial education and business development organization serving women solopreneurs and small business owners.

Through educational programs, networking events, workshops, and community experiences, WWI provides opportunities for entrepreneurs to learn, connect, and grow.

Our mission is to help women run smarter, earn smarter, and build wealth.
