

The background of the entire page is a photograph of a bright, modern living room. It features large windows with white frames that look out onto a green landscape with trees and a white building. In the foreground, there are several light-colored, textured armchairs arranged around a large, round, woven wicker coffee table. A small potted plant sits on the coffee table. In the lower center, there is a small, rustic, carved wooden stool. Two adjustable floor lamps with brass-colored shades are positioned on either side of the seating area. The overall atmosphere is warm and inviting.
